

LCN Performing Arts is delighted to be introducing a new 'Little LCNers' class on Saturday mornings between 9 and 9.30, aimed specifically for 'pre-school' 2-4 year olds.

Classes will start in September, be held at St Dunstons College in Catford and are ideally suited for both boys and girls, combining funky dancing exercises, well-known nursery rhyme sing-alongs and plenty of fun-packed party games.

Working with a fully qualified teacher and assisted by enthusiastic familiar faces each week, classes are designed to build confidence, ability and social skills, in a safe and friendly environment that we hope they will feel comfortable in.

Parents and carers are encouraged to support their children and share their enjoyment; week after week, you will see your child's independence grow and you will be able to step back and watch your confident toddler.
